## KATIE KIRWAN

**Grant Project and Outreach Manager**  
*Missouri Chamber of Commerce and Industry*

Katie Kirwan joins the Missouri Chamber as the Grant Outreach and Project Manager currently facilitating a six million dollar grant to create IT apprenticeships. She has been instrumental in creating partnerships and programming that helps to ensure the success of the employer and the apprentice through their employment journey. Katie has experience working with non-profits to create programming and opportunities to strengthen the workforce and ultimately change people's lives. She believes a strong community network is the key to success and each individual has an important role to play.

Apprenticeship, "Bold enough to try, kind enough to care."
